Praise for Recycle Runway

Your work on this exhibit was impeccable, we are proud to have sponsored such an innovative and well executed educational exhibit. We would like to consider sponsoring future displays."

- Regina Wheeler, Sponsor,
Los Alamos County

The Exhibit made me think about all the junk mail I get in the mail and where it ends up. It also gave me information on how to receive less in the mail."

- Dennis, Traveler

I have never seen the kids give so much attention to someone! Nancy was fantastic, the children couldn't believe it. She kept their interest by involving them. It was unbelievable to see what she could do with things we just normally throw away."

- Pat Bluett, Director,
Boys & Girls Club in Pittsburg, PA

Some people would just think: "a dress like this is just junk, who cares?" but these dresses are just amazing! Keep on R, R and R'n!"
