Fringe Shirt

Time Commitment:

15 minutes

Skill Level:

Beginner

Materials:

Any size T-shirt
Scissors

Directions:

1. Cut the neckband off, if you wish. Cut off the edges of the sleeves and the bottom hem of the shirt.
2. On the bottom of the shirt cut the fringe 1" wide and about 4" long up from the raw edge.

Variations:

- ⇒ On the sleeves cut the fringe 1" wide and 2" in from the edge.
- ⇒ Tie knots in the strips.
- ⇒ Make the strips wider, thinner or longer.
- ⇒ Combine with other techniques such as "lacing-up" or "knotting".
